Welcome at IGE PhD!

Here you may find some information relative to your daily life at IGE and other.

Organisation

- **Administrative**: Everythings related to administrative stuff at IGE and university (mission order, internship, mail, etc.)
- **Tools**: Description and how to access different tools (computing facilities, printers, libraries, etc)
- **Setting up your life in France**: *sometime*, it is difficult to understand the French administration… Here you will find some tips&tricks.

How to contribute?

This is a collaborative wiki, so please, don't hesitate to edit it! It follows the dokuwiki syntax[1)], but it's relatively easy to get. You can find a complete guide on the dokuwiki site.

Try to let it as simple as possible :)

Other documents for Ph.D. students are available here: EN and FR
