Mail, list & Thunderbird

Get access to your mail

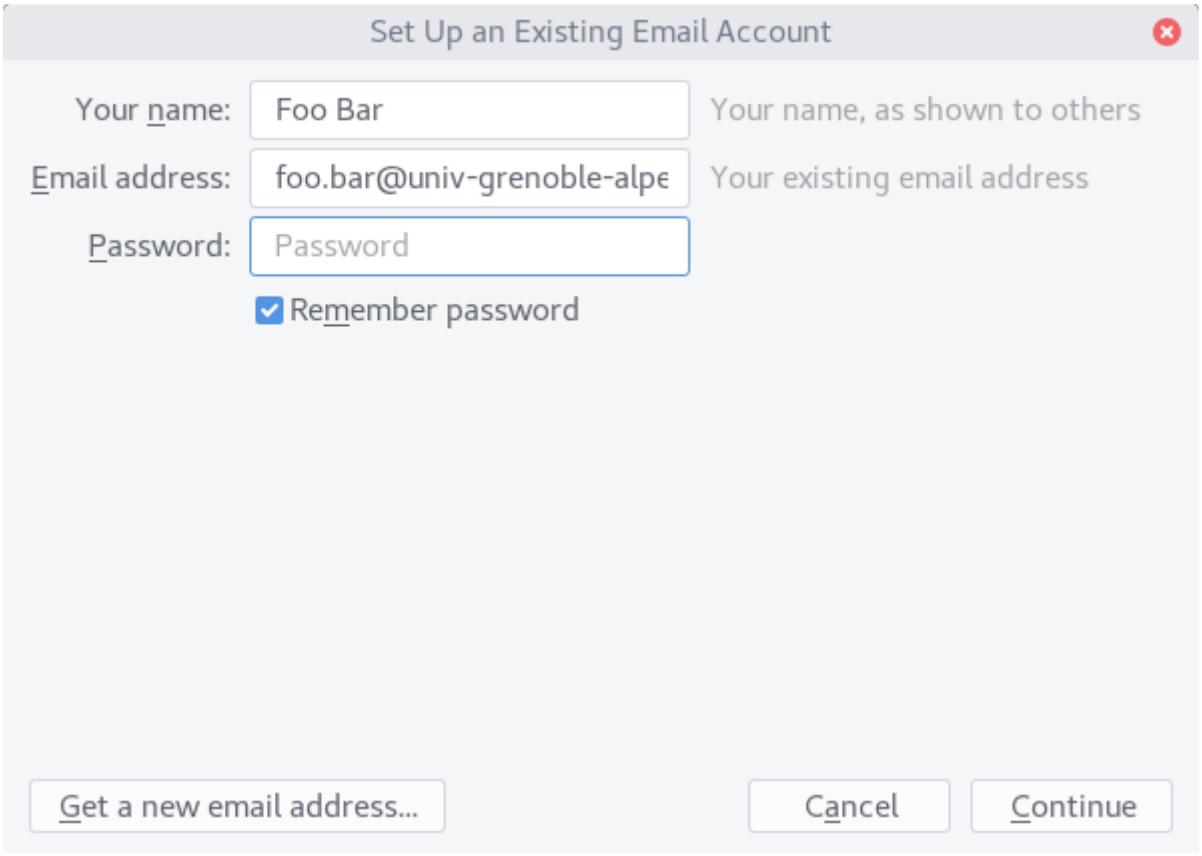

- The **webmail** : https://zimbra.univ-grenoble-alpes.fr
- Use **Thunderbird** with your mail account

Mailing list

- Registering to an existing IGE mailing list or asking for a new mailing list on Intragere
- Creating your own mailing list using the CNRS services (Inscription/désinscription par envoi de mail avec objet “subscribe nom_de_la_liste” et “unsubscribe nom_de_la_liste”)

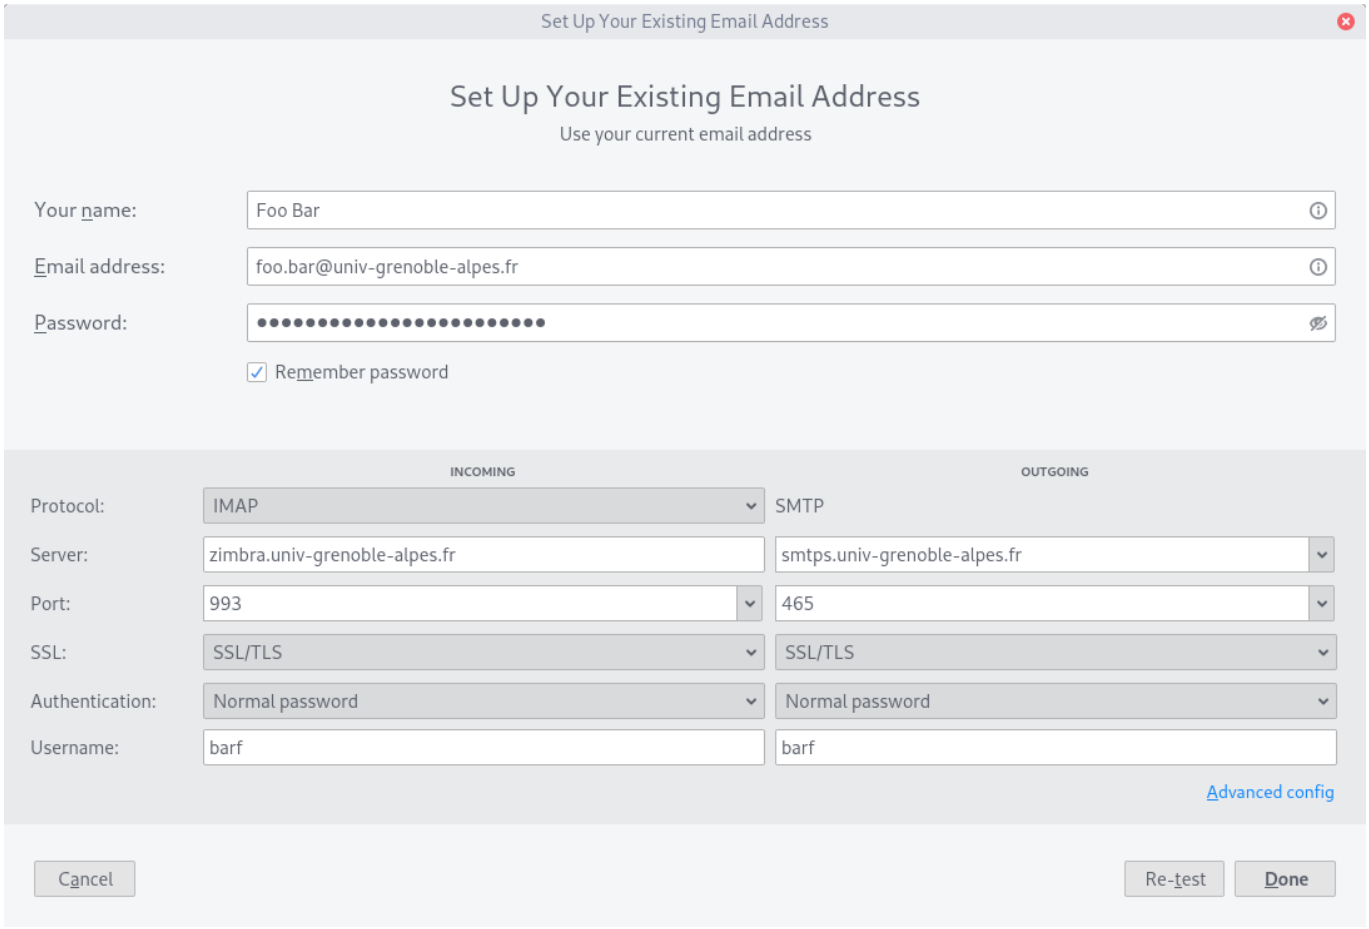

Configure Thunderbird with your email ⚡

In Thunderbird, go to `File > New > Existing mail account`

Enter your e-mail address and corresponding password. Then, it should auto-detect the configuration. If not, enter the following:

- Incomming:
  - `zimbra.univ-grenoble-alpes.fr`,
  - SSL/TLS,
  - `Normal password`
- Outgoing:
  - `smtps.univ-grenoble-alpes.fr`,
  - SSL/TLS,
  - `Normal password`
- username: AGALAN username

Finally, click Done.
