Rent a flat

In order to rent a flat, most of the time you will be ask to provide “guaranties”. Just ask someone of the lab (PhD or permanent) to be your.

Also, you may need a bank account. But in order to have a bank account, you will need a address… See the related article: bank.

A typical rent is about 400€ to 600€ / month, depending on your surface/location.
